Your group's lesson time will be scheduled, in advance, by Camelback SnowSports School Staff based on your arrival time, departure time and daily demand of both individual guests and other groups. For groups arriving by bus, we must build in an allowance for delayed arrival of buses whether due to late departure from schools, road congestion, road construction or weather.

IMPORTANT : Lessons purchased through the program must be taken on the day of the week selected by the group leader for the club. **Any missed lessons will be made up at the end of the 5-week program on the same day and time that the lessons were scheduled for the group.**
