

FCS 2020-21 K-12 DRESS CODE

Our goal is to have a modestly attired student body that would glorify the Lord. All students are expected to be clean, neat and well-groomed any time that they are on campus, whether during or after school. A student should dress in conformance with his/her biological sex. Students are not permitted to wear anything other than the items listed below. If you are unsure of whether an article of clothing is acceptable, please bring it to the school before removing tags, etc. so that we can assure its approval. Since it is almost impossible to address all issues, FCS reserves the right to deal with questionable dress code practices as they arise. Following is a list of the required standardized dress:

Hair

1. Conservatively styled hair that is clean, neat, well-groomed and of natural coloring.
2. Girls' hair is to be clean, neatly trimmed and out of the eyes.
3. Boys' hair should be worn above the collar. Bangs should be trimmed above eye level.

School Event/Field Trip Attire

All students must have one navy polo shirt and khaki Docker-style pair of pants to be worn for special school events and field trips. Girls may wear khaki skirts or skorts, if appropriate for the occasion.

Tops

7. Shirts and bottoms must overlap at all times (including when arms are raised). Exposed midriff skin or undergarments are not permitted.
8. Tops may be solid or patterned (limited to plaids, florals, stripes, paisley, color-blocking, polka dots and patterned geometric shapes). Chapel Days

Students follow the standardized dress code but may strive for a look that is dressy but not formal in nature.

Physical Education

1. Students in grades K – 6 wear sneakers and regular classroom clothing for gym. Girls in these grades should not wear skirts or dresses on gym days. Gym uniforms are required for grades 7 - 12. The physical education uniforms consist of the following articles of clothing in good, clean condition:
 - a. Royal blue shorts (purchased through **Instant Replay** of Wind Gap). Shorts may not be form-fitting and no shorter than the fingertips when standing straight with arms at the side.
 - b. White FCS screen-printed T-shirts (purchased though **Instant Replay** of Wind Gap). These shirts may only be worn during the gym class period.
 - c. Any color sneakers (not ripped/torn, must be properly laced) styled or decorated in a manner consistent with school policy.

- d. Athletic sweatpants – no writing across the backside.
2. If any of the above is missing, the student will be considered unprepared for class and will receive a grade penalty. After gym class is completed, all students must change back into their school attire. This includes the last period of the day, except on chapel days when the students may put on sweatpants over their shorts before leaving school.

Dress for Athletic Practices

1. Any color sneakers (not ripped/torn, must be properly laced) styled or decorated in a manner consistent with school policy.
2. Loose athletic sweatpants – no writing across the backside
3. Shorts must be modest and may not be form-fitting. Shorts must be either
 - a. knee-length.
 - b. fingertip-length with compression shorts underneath.
4. No sleeveless tops. Boys must wear shirts at all times.

Special Events

For special events such as sports banquets, chorus performances, plays or junior/senior banquet, please refer to the special dress code letters sent home. No student will be permitted to attend any special event without proper attire. Students will not be allowed to participate in the special event until they are in compliance with the dress code and may be sent home to change or be separated from the group until their parents bring appropriate clothing for the event. Both students and their guests must follow our school's guidelines regarding hair and accessories. In general, the following guidelines will apply:

1. Boys: Dress pants, shoes, shirt and tie, or tuxedo, if chosen.
2. Girls: For special occasions, such as the junior/senior banquet, we recognize that our young ladies prefer to wear contemporary, youthful formal attire. FCS encourages them to look their best and enjoy the opportunity to dress up, while still honoring the following guidelines of modesty:
 - a. Dresses must be kneecap length or longer.
 - b. Slits in dresses must not go above the knee.
 - c. The overall impression of any dress must be modest, with no cleavage whatsoever. Only dresses for the junior/senior banquet may be sleeveless, strapless, or have spaghetti straps.
 - d. Dresses should not have cutouts, whether covered in mesh or exposing bare skin.
 - e. Junior/senior banquet dresses must not be totally backless or dip too low in the back. There should be straps (crisscross, for example) to avoid the impression of a bare back. These are not acceptable at any other school occasion.
 - f. Dress fabric should not be sheer or see-through; appropriate undergarments must be worn.
 - g. Caution should be exerted in choosing flesh-toned fabrics that give the impression of bare skin, even with the addition of an outer layer of fabric over the flesh-tone.

- h. All ladies must have a wrap on hand in case the faculty/staff determine a dress does not adhere to the stated guidelines. In such cases, the young lady will be required to keep her wrap on for the duration of the event.
- i. Violations of dress code for special events are subject to discipline at the discretion of the principal.

CONCLUSION

Parents are responsible to make sure that their student is properly dressed for school. FCS will review student attire each morning, and if dress code is not followed, the procedure will be as follows:

1. Students wearing clothing that does not conform to the dress code will be issued a demerit by the teacher.
2. If the clothing is immodest, the student will be sent to the office to change.
