# ADMISSIONS PROCESS

When it comes to switching schools, there's a lot at stake. As a parent you know that your child's learning environment impacts much more than just grades. It influences how they grow academically, socially, emotionally, and spiritually. Families who are able to find the right fit see their children thrive in the classroom and beyond.

## So what exactly warrants a switch?

There are a lot of good reasons to consider switching schools. Maybe you're relocating and your current school will no longer be accessible. Perhaps your child is dealing with social issues and you're looking for a more positive atmosphere. Many families desire a nurturing environment that focuses on academic preparedness, as well as social and emotional growth - where children gain confidence to pursue their unique passions. And in today's ever-changing world, a strong biblical foundation is key. Parents who are teaching biblical truths in their homes want to know that Christian values are being reinforced at school.

## Whatever your reasons, we're glad you're here!

Faith Christian School is a dynamic learning environment for students in kindergarten through twelfth grade. This guide is designed for parents and families just like you who are exploring a change - and want to make sure they get it right. On the pages ahead, we'll walk you through our educational model, show you the opportunities your child will have as a student at Faith Christian School, and provide you with details on next steps.

The switching process is simple, and we're here to assist along the way. If you have any questions, please contact us at 610-588-3414 or [jensenv@FCSlions.org](mailto:jensenv@FCSlions.org)  
We look forward to hearing from you!

Sincerely,

*Ginny Jensen*

## OUR MISSION

The mission of Faith Christian School is to provide a unique Christ-centered education that instills character based on biblical principles and develops academic excellence for the purpose of preparing young people to serve and impact the world for Jesus Christ.

## VALUES STATEMENT

**FAITH** is more than a name, it is a way of life.

**F**aith - Every student deserves to hear the good news of Jesus Christ and to place their faith in Him as their Savior.

**A**cademic Excellence - Every student will receive a quality, Christ-centered education.

**I**mage Bearers - Every student bears the unique image of God, therefore deserves to be treated with dignity and respect regardless of race, gender, ethnicity, or ability. (Genesis 1:26-27)

**T**ruth - Every student will be taught that the Bible is the source of truth.

**H**onor - Every student will strive to honor God in all aspects of their lives - in the classroom, on the athletic fields and courts, and in their relationships with each other. (Colossians 3:23)

# GROWING STUDENTS

academically, socially, emotionally, and spiritually

## Active Partnerships with Families

Faith Christian School forges an enduring partnership between church, home, and school that produces powerful and effective student leaders who impact their world for Jesus Christ. Parents and students discover a close-knit community on our campus that feels like a second home.

## Academic Preparedness

At Faith Christian School, our academic goal is to provide the best tools for each student to learn, excel in college, and comprehend with a Christian worldview. Our curriculum is differentiated, and teachers take the time to understand each student's learning style so they may tailor their instruction accordingly. One of the core educational beliefs of our school is that all children can learn and succeed in a loving environment where expectations are high.

## Creative Growth Opportunities

All of our students explore the fine arts and develop their God-given creative gifts through enrichment classes, extracurricular activities, and performances. We offer:

- Chorus
- Theatre
- Lego Club
- Worship Team
- Yearbook
- Craft Club
- Instrumental Lessons
- Athletics
- And More

## Right-Size School Big Opportunities

Classes are kept small to promote a strong sense of community and to ensure each student receives individualized attention. Our average class size is 15.

## Kindergarten/ Elementary

Our youngest learners thrive in a nurturing environment that provides many special moments for hands-on learning. These include STEAM (science, technology, engineering, art, and math), music, P.E., and the arts. Starting in kindergarten, we utilize a standard of teaching which fosters social and emotional growth alongside core academic skills.

## Middle School

Middle School is filled with opportunities for students to discover their unique strengths and talents, build meaningful relationships, and experience spiritual growth. Their motivation to achieve academically is sustained through practical, hands-on activities that aid them to see how their learning is equipping them to make a difference in their world.

## High School

A student's high school years are essential to their future success. Stewarding this time well is about more than just passing tests, earning a certain GPA, or competing on a team. *It's about transforming:*

- Defining passions, motivations, strengths, and weaknesses.
- Stepping outside the box and exploring beyond comfort zones.
- Embracing a lifestyle of growth by letting faith be bigger than fear.

### Putting Faith into Action with Service Opportunities

Students are given numerous opportunities to grow in their Christian faith by serving others on campus and beyond. Students entering High School are required to volunteer time to serve their community. As students partner with local churches and ministries, they are encouraged to try new things, put faith over fear, and discover causes that align with their passions and beliefs. Their work produces meaningful relationships, a sense of fulfillment, and a deeper understanding of God's purpose for our lives.

### Competitive Athletics with a Christ-Centered Focus

Faith Christian School Lions participate in inter-scholastic sports at the varsity and middle school levels. Our teams have won numerous league championships, and have consistently earned individual and team titles over the past four decades. In soccer, basketball and track & field each sport shares a common goal of developing Christian leaders.

# FOR FAMILIES

## OPTIONS

### **On-Campus Learning:**

We are pleased to offer safe, in-person, 5 full day instruction every week for all grades. Students learn in small groups, which makes physical distancing easy without sacrificing social development.

### **Remote Learning- We Are Ready:**

FCS believes that in-person learning is best for our students' academic, emotional, mental, and spiritual health and learning. But in case of an emergency or mandatory shutdown FCS has the ability to quickly transition to remote learning.

## **A Safe Environment**

Safety is a top priority at Faith Christian School. We have numerous measures in place to ensure every child's physical safety (controlled access, surveillance technology, alarms, etc.), but we also emphasize social/emotional safety, as well as digital/online safety. Since the COVID-19 pandemic, we have invested in numerous technologies and procedures to keep our students healthy. We have an on-call nurse as well as an amazing student life team to look after the physical, mental, and emotional well-being of our students. FCS can recommend a Christian counseling service if the needs arise.

**Is there space for my child now?  
Can we afford a Christian education?**

### **Year-Round Enrollment:**

Applications are accepted throughout the academic year and we welcome mid-year transfers. Limited availability exists on a grade by grade basis.

### **Variable Tuition:**

Tuition at Faith Christian School is not a "one-size-fits-all" number; it's a range. Variable tuition helps us adjust tuition rates to meet each family's unique financial position.
